

November 2017

Greetings Colleagues,

Community Partners for Better Health (CPBH) is hosting the 15th Annual Choose and Move Health and Wellness Festival on Saturday, February 24, 2018, from 9 a.m. – 2 p.m., at the Cambridge Recreation Center, 3930 Cambridge Street, Las Vegas, Nevada. We invite you to join us again as an exhibitor at this educational, interactive, and fun event. The 2018 festival has a new look, new location, and moves from September to February. The festival has proven to be a very popular event for health care providers, health care agencies and Southern Nevada residents. We believe this move is consistent with our target audience and the time frame change may well prove even more beneficial to draw community participants. We are committed to greater promotional and other efforts to increase the flow to 300 plus attendees.

The festival encourages our community to adopt healthier lifestyles especially when it comes to regular physical activity and selecting more nutritious foods. Festival planners include the Southern Nevada Health District, City of Las Vegas, and Governor's Office for Consumer Health Assistance, Clark County Fire Department, Office of Minority Health, Las Vegas Metro Police Department, University of Nevada Cooperative Extension, HealthInsight, Nathan Adelson Hospice and numerous other community stakeholders. The festival will feature a variety of free and low-cost health screenings, healthy food demonstrations and information, and free physical activity Dance classes and many exhibitors outreaching to the community.

Attached you will find an exhibitor registration form. We truly appreciate your consideration to participate in the event. We believe that you will find involvement beneficial to your organization's mission and to the community you serve. You are a valuable resource in helping our community citizens live healthy lives and make positive health choices. We look forward to having you there!!
